Northlight's commercial Christmas tree line will add holiday cheer to any location or event. We offer three varieties of commercial trees. Tree-shaped, lighted decorations and sphere light trees range from 10' - 30'. Traditional fir trees include a panel construction with a built-in ladder for easy setup. We also carry oversized traditional artificial trees, which are available in many sizes and lighting options. Matching wreath and garland are available to complete the look. Please call for availability.
